note: Although not current, this information is believed to be sufficiently interesting to be reported at this time.

- 1. The Chinese Communist Central Bank in Dairsn has issued a large amount of new currency which can be exchanged for Soviet military currency. It will be valid for six months from date of issue.
- 2. The Chinese Communists are buying gold in Dairen. On 20 February gold was sold at \$70,000 Soviet military currency per ounce; the current price is \$110,000 per ounce.
